It's the Locations promise

Locations LLC

It's time to give yourself a raise

We're so confident that we can help you reach your full potential, we're putting our money on it. All we want in return is your enthusiasm.

If you do not earn 20% more than your last 12 months, we'll pay you the difference in cash.*

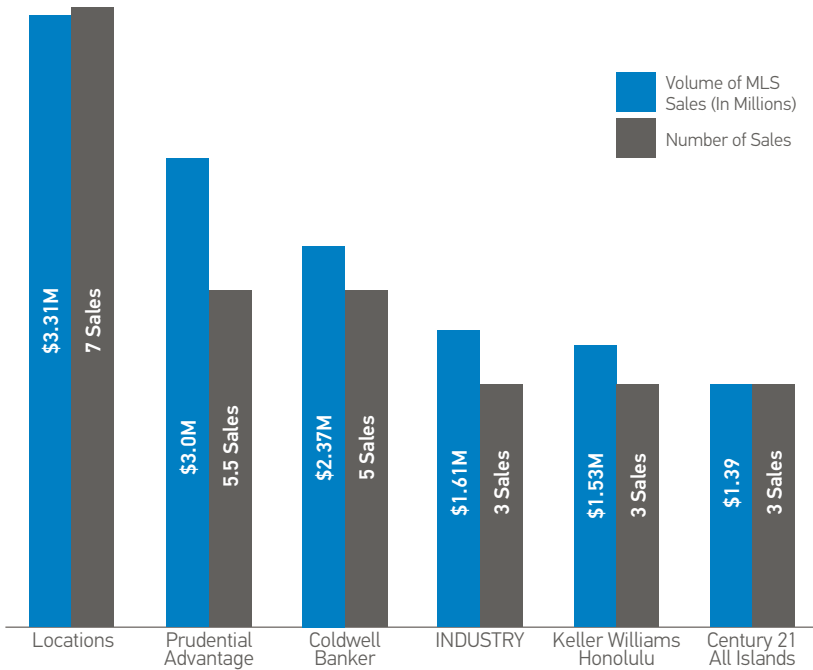

****Fine Print:** You have to be a nice person, willing to work hard, learn and play well with others. You must have worked full time as a real estate agent for the last 12 months. You must believe that a real estate agent's job is to make your clients happy. "Earn" means after all business expenses. If you do not earn 20% more than in your last 12 months, we will pay you the difference in cash. We believe we can help agents reach their fullest potential – without having to compromise the other important things in life. This guarantee is a written agreement executed between the agent and Locations LLC.*

** Locations LLC reserves the right to modify or cancel this offer at any time.*

How can we guarantee you will earn more? The proof is in the numbers. In the last year, Locations agents have closed more sales and have a higher median volume than Oahu's top five real estate companies.
